With friends I will do a page of writing, With no refusal and no fighting.

Dear Parents,

Summer vacation is a welcome break.... Break from fixed schedules, rules and regulations of the school. Freedoom brings more responsibility, so keeping this in mind; we have planned most of the activities to keep our children engaged and also help them in channelizing their energies. Kind helps and guides your child in completing his/her work and also exploring his creative self.

Submit the given homework in a folder (clearbag) the name of the student mentioned along with his/her name, class and section. Kindly take print outs of the worksheets. It would be wonderful if the children themselves decorate the folders with their tiny hands. Happy Holidays! Have fun with your little one!

Regards

Class Teacher
